Mark your calendar! PAABA, Open Text and Morrison Foerster invite you to learn about the latest challenges and solutions in eDiscovery.

Learn how electronic discovery tools keep pace with the increasing volume and complexity of litigation. With more cases to manage, documents to review, and regulatory hurdles in this tough economy, there's more at stake than simply managing case volume.

Regain control of spiraling discovery costs and risks to your company and clients by examining five key issues:

- The impact of the information explosion
- Retention and disposition
- Defensible preservation
- Understanding and assessing the legal merits of cases
- Controlling costs

\$35 for members and \$45 for non-members, \$10 for MCLE. RSVP to PAABA, 405 Sherman Avenue, Palo Alto, 94306 or call (650) 326-8322 or email info@paaba.org and follow by mailing check.
