Congratulations and welcome to PAABA's new [Committee Chairs](#), Steven Swernofsky (Business Law Committee) and Rebecca Epstein (Litigation Committee)!

Rebecca will be co-chairing the Litigation Committee with Dave Tate. We are accepting applications for a co-chair for the Business Law Committee, and for co-Chairs of the ADR Committee. Prior committee experience is not required, but applicants must have a solid background in the relevant area of law and bring energy and enthusiasm to the role. To apply or to learn more about the positions, please contact info@paaba.org

Fee Arbitration Program

PAABA has a program for resolving fee disputes pursuant to the mandatory arbitration procedures under California Business & Professions Code sections [6200-6206](#). This process allows parties to take oaths, present testimony, cross-examine witnesses, and produce documentary evidence that they feel substantiate their position regarding the fees and/or costs, and is administered by trained PAABA volunteers. Fee arbitration is **voluntary for the client** and **mandatory for the attorney**, unless the client has agreed in writing to arbitration of all disputes concerning fees, costs, or both. The subject matter of the arbitration is limited to issues of attorney fees and costs; the arbitrator may hear evidence, but will not issue an award, based upon any claims for affirmative relief against the attorney for damages or for claims based on alleged malpractice or professional misconduct.
